and/or representative who shall violate requirements of §511.76. Any party, participant and/or representative so excluded may appeal to the Administrator in accordance with the provisions of §511.23. If the representative of a party or participant is excluded, the hearing shall be suspended for a reasonable time so that the party or participant may obtain another representative.

(c) *Substitution of Presiding Officer.* In the event of the substitution of a new Presiding Officer for the one originally designated, any motion predicated upon such substitution shall be made within five (5) days of the substitution.

(d) *Interference.* In the performance of adjudicative functions, a Presiding Officer shall not be responsible to or subject to the supervision or direction of the Administrator or of any officer, employee, or agent engaged in the performance of investigative or prosecuting functions for NHTSA. All directions by the Administrator to a Presiding Officer concerning any adjudicative proceeding shall appear on and be made a part of the record.

(e) *Disqualification of Presiding Officer.*

(1) When a Presiding Officer deems himself or herself disqualified to preside in a particular proceeding, he or she shall withdraw by notice on the record and shall notify the Chief Administrative Law Judge of the withdrawal.

(2) Whenever, for any reason, any party shall deem the Presiding Officer to be disqualified to preside, or to continue to preside, in a particular proceeding, that party may file with the Chief Administrative Law Judge a motion to disqualify and remove, supported by affidavit(s) setting forth the alleged grounds for disqualification. A copy of the motion and supporting affidavit(s) shall be served by the Chief Administrative Law Judge on the Presiding Officer whose removal is sought. The Presiding Officer shall have ten (10) days from service to reply in writing. Such motion shall not stay the proceeding unless otherwise ordered by the Presiding Officer or the Administrator. If the Presiding Officer does not disqualify himself or herself, the Administrator will determine the validity of the grounds alleged, either directly

or on the report of another Presiding Officer appointed to conduct a hearing for that purpose, and shall in the event of disqualification take appropriate action, by assigning another Presiding Officer or requesting assignment of another Administrative Law Judge through the Office of Hearings.

§511.43 Evidence.

(a) *Applicability of Federal Rules of Evidence.* The Federal Rules of Evidence shall apply to proceedings held under this part only as a general guide. The Presiding Officer may admit any relevant and probative evidence.

(b) *Burden of proof.* (1) Complaint counsel shall have the burden of sustaining the allegations of any complaint.

(2) Any party who is the proponent of a legal and/or factual proposition shall have the burden of sustaining the proposition.

(c) *Presumptions.* A presumption imposes on the party against whom it is directed the burden of going forward with evidence to rebut or meet the presumption, but does not shift to such party the burden of proof in the sense of the risk of nonpersuasion, which remains throughout the hearing upon the party on whom it was originally cast.

(d) *Admissibility.* All relevant and reliable evidence is admissible, but may be excluded if its probative value is substantially outweighed by unfair prejudice or by considerations of undue delay, waste of time, immateriality, or needless presentation of cumulative evidence.

(e) *Official notice*—(1) *Definition.* Official notice means use by the Presiding Officer of extra-record facts and legal conclusions drawn from those facts. An officially noticed fact or legal conclusion must be one not subject to reasonable dispute in that it is either (i) generally known within the jurisdiction of the Presiding Officer or (ii) known by the Presiding Officer in areas of his or her expertise; or (iii) capable of accurate and ready determination by resort to sources whose accuracy cannot reasonably be questioned.

(2) *Method of taking official notice.* The Presiding Officer may at any time take

official notice upon motion of any party or upon its own initiative. The record shall reflect the facts and conclusions which have been officially noticed.

(3) *Opportunity to challenge.* Any party may upon application in writing rebut officially noticed facts and conclusions by supplementing the record. The Presiding Officer shall determine the permissible extent of this challenge; that is, whether to limit the party to presentation of written materials, whether to allow presentation of testimony, whether to allow cross-examination, or whether to allow oral argument. The Presiding Officer shall grant or deny the application on the record.

(f) *Objections and exceptions.* Objections to evidence shall be timely interposed, shall appear on the record, and shall contain the grounds upon which they are based. Rulings on all objections, and the bases therefore, shall appear on the record. Formal exception to an adverse ruling is not required to preserve the question for appeal.

(g) *Offer of proof.* When an objection to proffered testimony or documentary evidence is sustained, the sponsoring party may make a specific offer, either in writing or orally, of what the party expects to prove by the testimony or the document. When an offer of proof is made, any other party may make a specific offer, either in writing or orally, of what the party expects to present to rebut or contradict the offer of proof. Written offers of proof or of rebuttal, adequately marked for identification, shall accompany the record and be available for consideration by any reviewing authority.

§ 511.44 Expert witnesses.

(a) *Definition.* An expert witness is one who, by reason of education, training, experience, or profession, has peculiar knowledge concerning the matter of science or skill to which his or her testimony relates and from which he or she may draw inferences based upon hypothetically stated facts or from facts involving scientific or technical knowledge.

(b) *Method of presenting testimony of expert witness.* Except as may be otherwise ordered by the Presiding Officer, a

detailed written statement of the elements of the direct testimony of an expert witness shall be filed on the record and exchanged between the parties no later than 10 days preceding the commencement of the hearing. The statement must contain a full explanation of the methodology underlying any analysis, and a full disclosure of the basis of any opinion. The direct testimony of an expert witness shall not include points not contained in the written statement. A party may waive direct examination of an expert witness by indicating that the written statement be considered the testimony of the witness. In such a case, the written testimony shall be incorporated into the record and shall constitute the testimony of the witness.

(c) *Cross-examination and redirect examination of expert witness.* Cross-examination, redirect examination, and recross-examination of an expert witness will proceed in due course based upon the written testimony and any amplifying oral testimony.

(d) *Failure to file and/or to exchange written statement.* Failure to file and/or to exchange the written statement of an expert witness as provided in this section shall deprive the sponsoring party of the use of the expert witness and of the conclusions which that witness would have presented.

§ 511.45 In camera materials.

(a) *Definition.* In camera materials are documents, testimony, or other data which by order of the Presiding Officer or the Administrator, as appropriate under this part, are kept confidential and excluded from the public record. Only materials exempt under the Freedom of Information Act may be kept confidential and excluded from the public record. Pursuant to 49 CFR part 512, the Chief Counsel of the NHTSA is responsible for determining whether an alleged confidential business record is exempt from the Freedom of Information Act. The right of the Presiding Officer, the Administrator and reviewing courts to order disclosure of in camera materials is specifically reserved.

(b) *In camera treatment of documents and testimony.* The Presiding Officer or the Administrator, as appropriate under this part, shall have authority,
